

***Town of Oakesdale***  
***TOWN COUNCIL SPECIAL MEETING***  
***For***  
***November 25, 2013***

- I. **CALL TO ORDER:** Mayor Dennis palmer called the Special Meeting to order at 6:00 p.m.
- II. **ROLL CALL:** Mayor Dennis Palmer, Kelli Meserve, Al Evans, Ton Johnson and Tom Crooks. Councilman Randy Robinson was not in attendance. Also present were Mary DeGon, Clerk/Treasurer and Bob Hooper, Public Works Director.
- III. **WELL ESTIMATES:** Council members reviewed two estimates for repairing Well #5. The well was turned off last week after severe vibration threatened the possibility of breaking the shaft. We have been running on Well #4 only until repairs can be made. Well #5 supplies the Town with approximately 62% of the Town's water supply. The first bid council members reviewed was from General Pump with an estimate of \$15,400 before tax but quotes that costs could go higher if the bearings below the top end are bad and the pump has to be pulled entirely. The second bid was from Specialty Pump with a firm bid of \$19,048 before tax. Council members preferred to go with a firm bid rather than an open ended bid. Plus, we have a good history with Specialty Pump as they have worked on our wells for years. Tom Johnson made the motion to accept the bid from Specialty Pump to repair Well #5. Tom Crooks seconded the motion, all council members voted yes – **motion passed.**
- IV. **ADJOURNMENT:** Al Evans made the motion to adjourn the Special Meeting at 6:07 p.m. Tom Johnson seconded the motion, all council members voted yes – **motion passed.**
