#### FOURTH OF JULY

Oakesdale's 4th of July Celebration with MaryJane Butters and her farm girls was a huge success. The Town Council has voted unanimously to extend an invitation for her and her girls to return again next year.

#### GET WELL SOON

Dick Brown, our Assistant Public Works Director, made an unexpected trip to the Colfax Hospital on July 2nd and wound up having surgery to remove scar tissue from his intestines. He will be recuperating at home for several weeks. We miss you Dick - enjoy your recovery.

#### RECYCLING REMINDER

For the most part Oakesdale is doing a fantastic job with our household recycling but there are things showing up and questions are being asked about what we can take at our facility. We will remind you again that we can **only** take the items that are listed above the containers. We take newspapers loose or in paper bags, plastic gallon milk and water jugs, plastic pop and water bottles, tin cans, aluminum pop cans and mixed glass bottles and jars. If what's in your hand doesn't look like what's in the recycling container then it shouldn't go there.

#### THE LITTLE GAS STATION

Our little gas station is an icon and an historic part of our town but it has been falling apart at the seams (mortar) so we are in the process of restoring the bricks and the mortar to their original condition. There is some other work that needs to be done but we are taking care of the serious issue at this time.
