

TOWN OF OAKESDALE

NEWSLETTER

APRIL 2010

Website: www.oakesdale.org

WATER METER READINGS

It has been five months since we have read water meters. Meters were read on March 24th & 25th and your water bill may or may not reflect water use overages. Each of those five months you were billed for the minimum use of 4,125 gallons of water. If your household used above the minimum amount then the overage will reflect on this current statement. Any water customer whose monthly water charges

have suddenly and unexpectedly increased as the result of a water leak may petition the Town Council for an adjustment in the charges for the period during which the leak remained undetected, provided, as a condition of any such adjustment, the Town Council must:

- Find that the customer did not know about the water leak and could not have reasonably known about the water leak during the period for which the adjustment is sought;
- When the leak was finally discovered, the customer took reasonable action to promptly repair the leak;
- The Town Council must find that the increased water charge resulting from the leak during the period for which the adjustment is sought will impose an undue hardship upon the water customer.

TOWN COUNCIL MEETINGS

Monday, April 5th & Monday, April 19th @ 7 p.m.

OAKESDALE'S OUTDOOR RECYCLING

As of April 1, 2010 we will now be accepting leaves and grass clippings at the outdoor recycling center. Please make sure to use the appropriate marked areas for all your tree trimmings, shrub and grass clippings. The wood chips are FREE to take!
