

Town of Oakesdale

~ Newsletter ~

Find the Hero in You!

We received a thank you from Inland Northwest Blood Center for our community blood drive sponsored by Oakesdale Schools. On May 5th, ten faithful donors gave the "gift of Life" to patients in our region. Oakesdale Community plays an important role in helping maintain a safe and adequate blood supply for the patients throughout our area. Together we are working to save lives!

Oakesdale Community Yard Sale – Save the date!

It's that time again! Clean out your closets, basements and garages and participate in the community yard sale event on Saturday, July 17th. More information will follow in the next newsletter. Please contact Colleen Rose at 285-4281 if you have an questions.

Mosquito fogging

In the next few weeks we will be posting signs informing the public when we will begin fogging for those pesky mosquitoes. if you do not wish to have the area you live fogged please notify Mary degon at city hall to be placed on the do not fog list.

Second Chance

The last Town newsletter talked about illegal dumping at the outdoor recycling center and the reasons we needed to keep it locked to avoid further dumping. We did have one individual come forward admitting to placing the boards in the recycling center who was not aware what was allowed to be put in the outdoor recycling center. Council members have decided to give the public a second chance at using the facility and leaving it unlocked between 7 am - 4 pm Monday through Friday and 9 am - 5 pm on the weekend.

HOT SPOT

The new hot spot in town for wireless internet is the Library. Ditzzy's used to be the hot spot, but When The store closed the hot spot was terminated. Not to Worry....you can use the one at the library!
