WELCOME BOB HOOPER!

We are pleased to announce Our newest staff member, Bob Hooper! He will be replacing Dick Brown who is retiring in May of this year.

WATER METERS

Due to many meter boxes being full of water, the meters were not read this month. You are still being billed for the minimum usage for March 2012. We will be reading meters in April around the 25th of the month. Your bill that will be due in May will have six months of water usage and you may or may not see an increase in your bill depending on the amount of water you used in that time period. The bill will reflect any overages that occurred in the past six months.
