## **OLD MILL DAYS THANK YOU**

A special thank you goes out to the McCoy Valley Museum and the Oakesdale Historical Society for planning our back to back Town celebrations of Old Mill Days! So many people came together to volunteer their time to mark our 126 years of being incorporated since 1888! The celebration was a huge success! There have been so many positive comments on the day's events and participation. It was a great honor to see long time residents Vern & Ruth Pittmann serve as our Grand Marshals.

## **COUNCIL MEMBER POSITION OPENING**

Coming this September we will be in need of a citizen for Council Position #2. Council Member Kelli Meserve will be stepping down from her position due to an increasing busy family schedule. We have appreciated Kelli's dedication over the last three years at council and thank her for all the support. If you are interested in providing a service to your community and would like to serve on City Council please contact Mary DeGon, Clerk/Treasurer, at City Hall. All candidates will be interviewed at the September 15<sup>th</sup> Town Council Meeting.

## **WATERING TIP**

Here is a water saving tip from our Certified Water Operator, Frank Triplett:  
Did you know that your yard will lose between thirty to fifty percent of the moisture while watering your yard between noon and 6 p.m. during the summer months? The water evaporates and does not make it down to the roots. You could be wasting water by watering during the heat of the day.
