SPRING PROJECTS

BUILDING PERMITS

Do you plan on doing a home project this spring? Don't forget the building permit before you start! If you are planning on roofing or re-roofing an existing structure or siding or re-siding an existing structure or window replacement of an existing structure the permit fee is only \$40 no matter how much the project costs.

WATER METERS

Due to many meter boxes being full of water, the meters were not read in March. You are still being billed for the minimum usage for March 2022. We will be reading meters in April around the 25th of the month. Your bill that will be due in May will have six months of water usage and you may or may not see an increase in your bill depending on the amount of water you used in that time period. The bill will reflect any overages that occurred in the past six months. If your bill should reflect an undetected water leak you may be able to petition the Town Council for an adjustment in the charges for the period during which the leak remained undetected.

SPRING CLEAN-UP WEEK

Whitman County will be having its annual Spring Clean- Up Week during **Friday, April 8th to Saturday, April 16th**. Rates are reduced to \$55.00 per ton with a \$15.00 minimum charge. Self haul your materials to the Whitman County Landfill & Transfer Station located six miles north of Pullman, one mile off Highway 195. Hours are Monday – Saturday 8:00 a.m. to 5:00 p.m. **NO COMMERCIAL OR BUSINESS HAULERS PLEASE! RESIDENTIAL WASTE ONLY!** For more information call the Landfill (509) 334-2400.

Free Year-Round Services @ Whitman Co:

- Old appliances and scrap metal
- Used oil and engine fluids
- Household cleaners and yard fertilizers
- Yard trimmings
- Recyclables: glass, plastic, aluminum, newspaper, tin and cardboard

OUTDOOR RECYCLING CENTER

Hello Spring! Remember the Town has a recycling center for grass, yard debris, flower bed and garden trimmings, shrubs, and branches. The center is located off the northside off Bartlett just off of Highway 27 in the enclosed area behind the school's old storage building. This service is **FREE** for all our Town's residents. Your yard recyclables need to be dumped into the appropriate areas in the fence and no bins, bags or boxes left behind. What you bring your yard debris in needs to go home with you! ***No processed wood allowed!*** The only wood allowed is from your tree trimmings.
