UPDATE YOUR CUSTOMER ACCOUNT BILLING INFORMATION

We have noticed some of the water/sewer bills are being returned to us due to an incorrect mailing address. Please remember we need to be notified of your change of address. We also have noticed many customers no longer having a land-line phone number and there is no cell phone number on file. Please make sure we have the correct contact phone number on file. Keeping your account information up-to-date is very important should we need to notify you due to an emergency situation.

2023 DOG TAGS

Dog tags are required on all dogs residing in our city limits each year. The annual tags must be purchased by January 31, 2023 to avoid late fees and penalties. Dog tags that are purchased after the due date will incur a \$5 late fee making the dog tag cost \$12.50 for a spayed/neutered dog or \$15 if they are not spayed/neutered during the month of February. The late fees apply each month that the tag(s) are not purchased per dog.

REMEMBER...it is a state law and a Town Code that all dogs must be vaccinated for Rabies. Before a tag can be issued, we must have the Rabies tag number, expiration and veterinary that issued the tag. *Please do not include the cost of your dog tag on your water bill. Payment for dog tags must be separate.*
