## NO BURNING!

*There is a town wide burning ban for the months of July, August, and September. You **can not** burn your yard waste for the next three months. However, recreational fires for cooking are permitted in a diameter of 4 ft. X 2 ft. burn-pit. Barbeques and outdoor grills are okay. A burn permit can be obtained for a ceremonial, religious or celebratory occasion at City Hall. Minimum fines of \$75 to maximum fines of \$500 per violation will be assessed to those individuals violating Town Codes. Your yard waste can be disposed of at the Town's outdoor recycling center located behind the school's storage building, just off of Bartlett Street, for **free**. When dumping your yard debris, please add it to the on-going pile that is there. Do not create new piles. This causes the area to get more congested as people try to access the area. Thank you!*
